

# We Need Your Help!

Ever since Hurricane Irene, the Cranford First Aid Squad has been operating out of the Garwood First Aid building.

**PLEASE HELP US BRING  
THE CRANFORD FIRST AID SQUAD  
HOME!**

We are asking that each of our Cranford Public School students contribute \$1.00 to rebuild our First Aid Squad and keep our community safe.

**Please take your dollar to your school.**

Your support of this wonderful organization is greatly appreciated. Please contact your child's teacher or main office for information.
