

Lights! Camera! Kids! Action!

The actor's garage is coming to Cranford Recreation this Winter!

At the actor's garage enrichment program we teach acting with a focus on TV, film, and commercial. Starting with the basics: concentration, relaxation, and improvisation. Through these tools, actors learn to be more self confident, trusting, outgoing and comfortable in group situations. In all of our classes, we teach the actors through positive reinforcement and encouragement. At the same time through our exploration of acting a child may learn to have a healthy self- esteem, a positive self-image, learn problem solving skills, public speaking skills & concentration skills, which can lead to a more productive student. * Ongoing curriculum * fun classes Open to grades K-2 & 3-5
