About the Cranford Soccer Club

The Cranford Soccer Club (CSC) was established in 1980 with the purpose to support the development of the sport of soccer for youths and adults in Cranford and the neighboring communities. CSC organizes, sponsors and administers teams, competitions and programs to ensure the highest possible levels of soccer competence, sportsmanship and enjoyment. Comments and suggestions are welcomed so that the Club may provide our children with the best opportunities available. Monthly Board meetings, held the first Wednesday of each month at 7:30 pm at the Cranford Community Center, are open to all.

Volunteers Needed

The success of the Cranford Soccer Club is directly tied to the people who volunteer. Whether it's helping to maintain and line fields or coaching a team, your assistance is greatly needed, perhaps now more so than ever. So we are strongly encouraging you to volunteer your time to coach your child's team next spring. We do understand that not everyone is comfortable being a coach perhaps because you didn't play the sport. We will do everything we can to help make this an enjoyable experience by providing you with the basic skills necessary to be a youth soccer coach. Volunteering your time as a coach is a rewarding experience that you will not soon forget.

The Cranford Soccer Club is a not for profit volunteer organization, whose goal is to help foster the enhancement and development of soccer for all ages and abilities
