

Cranford Recreation Presents

JOIN US TO DISCOVER © THE AMAZING WORLD OF MAGIC!

**Learn how to make things vanish and float in the air,
create balloon animals, perform bubble magic and much more.**

“Making Magic” will teach you everything you need to know to become a real magician!
Every semester each student will build his own magic show from start to finish
and will also be introduced to the science, physics and history of magic

- Making Magic is also available for birthday parties
- Making Magic is designed for boys and girls in grades K-5
- All tricks, supplies and tools are provided at no additional cost.

Grades: K-5

Day: Tuesdays

Dates: January 24 - March 27
