

**CRANFORD PUBLIC SCHOOLS  
CRANFORD, NEW JERSEY**

**POLICY: RELATIONS BETWEEN OTHER ENTITIES AND THE DISTRICT**

The Board believes that cooperation between the schools and other organizations concerned with youth, career development, and mental health will enhance the opportunities of the district's pupils. Such cooperation will also enable the district to serve its pupils better through appropriate referrals as in substance abuse programs, special needs, etc. The Superintendent of Schools is encouraged to explore areas of mutual concern with the administrative officers of such organizations and to recommend desirable courses of action .

The Board directs the Superintendent of Schools to seek and maintain working relationships with local and colleges and universities in such areas as student teaching, inservice staff development, and advanced placement.

It is of particular importance to establish and maintain close working relations with trades, businesses, and industries which provide members for advisory committees and are possible sources of career placements for our pupils.

Donations to Private Organizations

The authority for a Board of Education to expend public funds is derived from the constitutional mandate to "provide for the maintenance and support of a thorough and efficient system of free public schools". The donation of moneys to any private organization, regardless of the merits of that organization's purposes, is not within authority of the Board and is, therefore, prohibited

Educational, occupational, and military recruiters shall have equal access to school facilities and information about pupils subject to the following provisions:

1. Pupil information (lists of or individual addresses, names, phone numbers, etc.) Is not furnished to any school, agency, business, or branch of the military service without consent of the pupils' parent or guardian. This includes college athletic recruiters and schools seeking the names of National Merit Finalists.
2. No programs may be arranged that hold pupils as a "captive" audience. Pupil attendance at any school, college, or military program must be voluntary.
3. School, college, and military representatives may visit Cranford High School. No organization may visit more than twice per school year.
