## CRANFORD SPORTS HALL OF FAME

Founded in 1994, it took approximately two years for the first Induction Ceremony to take place. In November of 1996, Cranford Sports enthusiasts witnessed history in the making.

The initial Hall of Fame Committee was comprised of 12 members from the community of Cranford, representing different eras and areas of Cranford sports. These 12 blazed a path for what is now one of the highlight events in Cranford sports today. The Committee members are responsible for accepting nomination forms, researching prospective inductees, and making the final decision for the new inductee class. The Induction Ceremony takes place every 2 to 3 years. The next ceremony will be held in November of 2009.
