

CRANFORD HIGH SCHOOL
INDEPENDENT STUDY PROPOSAL

Student _____ **Date** _____

Title of Independent Study _____

School Year _____ **Duration** (Circle One) 1st Semester / 2nd Semester / Full Year

Teacher of Record _____

Stipulations:

- The Independent Study will be a “Structured Learning Experience” which, as defined by the New Jersey State Department of Education, can include an extended community service project, a work experience which has its primary purpose the furthering of career education, and/or other life experiences that occur outside the regular classroom.
- The Independent Study must be in an area not covered in the Cranford HS Program of Studies, where the student has exhausted all course offerings in this particular area.
- Any student taking an Independent Study cannot have an additional study hall scheduled.
- The student enrolled in the Independent Study will submit periodic progress to the Teacher of Record, which will in turn be submitted to the Supervisor of Academic Affairs on the due dates assigned.
- Unless a cumulating test, such as an Advanced Placement exam is given, the student taking the Independent Study will make a formal presentation, reporting on the goals and objectives listed below.

Goals/Objectives of the Independent Study (List on the back or on another sheet of paper what is to be accomplished during this Independent Study).
