Dear Parents/Guardians of OAS Sixth Graders,

In an effort to make the re-registration process for parents and guardians of current sixth graders as smooth as possible, parents and guardians of current sixth graders at Orange Avenue School may come in at any time between the hours of 8:00 am and 4:00 pm. As per Dr. Carrick's letter, the re-registration process for sixth grade students will occur during November for all parents/guardians of current sixth graders across the district. In an effort to provide an opportunity for you to submit your completed registration packet, you may see Mrs. Lien during the above hours. If this is an inconvenience to you, I ask that you reach out to me to schedule an appointment that is more suitable.

The forms are all available by accessing the Cranford district website or feel free to stop in the OAS main office for a packet. Please note that this process is only for proof of residency purposes and does not require your child's original birth certificate.

As always thank you for your consideration to this matter and should you have any questions, please feel free to contact me.

Sincerely,

Michelle Vella
Principal
