Dear Parent/Guardians of Students currently in **Grade 4**, moving to **Grade 5** in September 2019,

I hope your child is taking advantage of the opportunity to have instrumental music lessons as part of their education in Cranford Public Schools. Music-making is such a valuable experience for our students, building creative, collaborative, and critical-thinking skills.

In Grade 5, we encourage students to continue on their chosen band or string instrument. As we plan our schedules and staffing for next year, we are asking that you let us know your child's intent for the next school year.

Please complete the Google Form at the link below by **June 1, 2019 for your student who will be entering 5th grade. Even if your child will not participate in the instrumental music program, we ask that families of all current 4th grade students fill out the Google Form so we have accurate data.**

SCAN the following QR CODE to take you directly to the Google Form.

If you have any questions concerning our music program, please feel free to contact my office or the instrumental or string teacher in your child's building for next year.

Sincerely,

Anthony Rafaniello
